Dear Sir / Madam

AMENDMENTS - PCT / ZA2005/000009

With reference to the Written Opinion of the International Searching Authority (notification received on 28/7/05) we hereby file an Amendment to our PCT Application in the form of:

- (a) The Cancellation of Claim 31 as this Claim does not meet the requirements of Rule 6,2 (a) PCT.**

Please find attached the Sheet which contains Claims 25 to 30 which differs from the original application in that Claim 31 has been removed.

- (b) Amendments have been made to Figures 1 to 9 on Sheets 1 to 5 respectively.**

The drawings originally submitted with our PCT Application were inconsistent and did not depict the float proportionately with the size of the boat in all the illustrations submitted. Attached please find the amended Figures 1 to 9 (Sheets 1 to 5).

We trust that the above is in order. Should any additional changes be necessary or further information required, please notify us ASAP. Demand for Examination to follow.

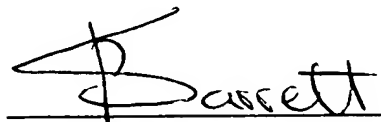

Thank you kindly for your assistance.

Yours faithfully,

Clive Vernon Barrett

and

Susan Barrett
